

# Inflatable Baby Jesus

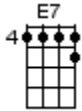

For Ukulele

The years have not been kind

To the figurines you'll find

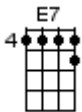

Scattered 'round my lawn at Christmas time

They're plastic, illuminated

Not inflated or animated

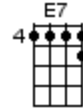

By modern standards they are somewhat dated

Their bodies cracked and worn

And some are even torn

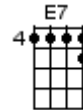

Purchased years before my kids were born

Before they get misplaced

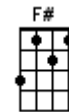

Or my family is disgraced

I think it's time the whole thing gets replaced

## VERSE 1

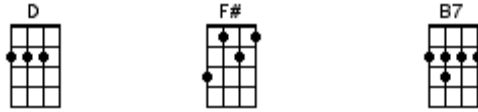

I'm looking for an inflatable baby Jesus

# Inflatable Baby Jesus

For Ukulele

To decorate my lawn this Christmas eve

And I'm looking for an inflatable Christmas stable

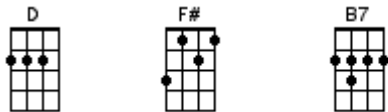

With an inflatable star that everyone can see

And I'm looking for an inflatable Joseph and Mary

With lights inside to show us all the way

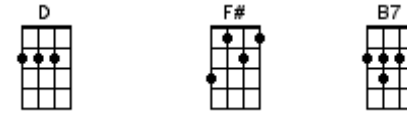

To get to the inflatable baby Jesus

To decorate my lawn on Christmas day

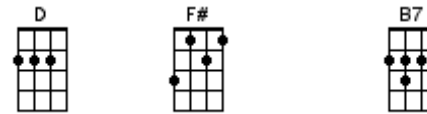

## VERSE 2

Yes I'm looking for an inflatable baby Jesus

Lying in an inflatable manger and hay

An inflatable cow and an inflatable donkey

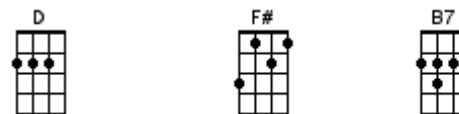

All anchored down so they don't blow away

Inflatable sheep and an inflatable camel

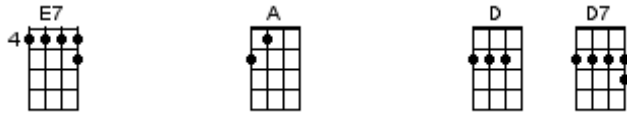

Kept behind an inflatable fence

Inflatable shepherds and inflatable wise men

# Inflatable Baby Jesus

For Ukulele

With inflatable gold and myrrh and frankincense

And dancing reindeer pulling on a sleigh

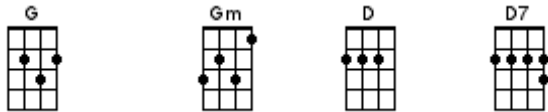

## BRIDGE

I've got a brand new snowman

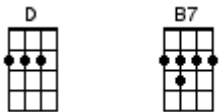

And a great big Santa Claus

His head turns side to side and he waves

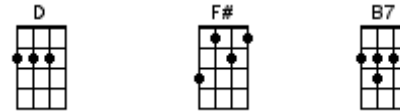

And a bunch Christmas penguins

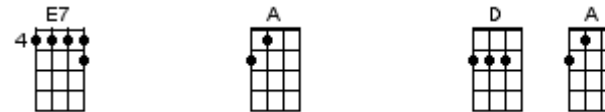

Sliding down a slide

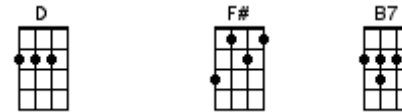

## VERSE 3

But I really need an inflatable baby Jesus

Because the plastic one don't work no more

And I cannot find an inflatable baby Jesus

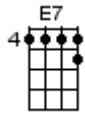

When I look for one at my local store

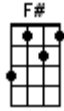

If you see an inflatable baby Jesus

# Inflatable Baby Jesus

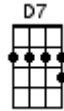

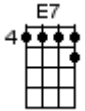

For Ukulele

Pick him up and send him on my way

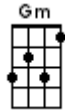

So I can have an inflatable Baby Jesus

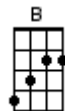

To decorate my lawn this Christmas day

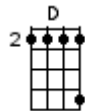

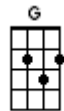

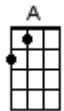

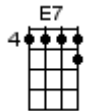

## OUTRO

I don't need an inflatable menorah

Or a Dora the Explorer

I just want a baby Jesus for Christmas Day
